

Dear Friends,

March 2, 2015

Thank you for your faithful support of the ministry here in Bequia, both by prayer and financial support. It is always encouraging to look back and see all that God has done in our lives.

The last 2 months the Lord has allowed us the opportunity to fill in for a pastor here in Bequia. As always I enjoyed preaching and am thankful for the help of the Lord. Thank you for your prayers concerning a vehicle. We were able to purchase a 2001 Toyota Noah van and have already been able to bring people back and forth to church.

Today we were able to meet with the lady that is over the Community Center in Paget Farm and they are going to allow us to use the building every Wednesday and Sunday to hold Bible studies and regular services. Lord willing, our first Sunday will be in April, so please pray with us concerning this. We want to be able to canvas the area and promote the service as much as possible in the coming month.

Also I would like you to pray for a man named Glen. He is fisherman from Paget Farm. I have had several opportunities to talk with him about the Lord. He knows he is lost and needs to be saved. Pray for Glen to be saved and that I would have the wisdom in dealing with Him.

**\*\* Family update**

Malachi has started pre-school and is doing great, learning his numbers, letters and colors. Katie is growing up fast and getting into everything. McKenzie and myself are doing great.

If you would like to help us in the cost of our prayer letters by receiving them by email, please email me at [Davidballinger@mwbm.org](mailto:Davidballinger@mwbm.org) or visit our website at [www.wimissions.com](http://www.wimissions.com) to subscribe. Thank you once again for all your prayers.

In Christ
