

# GREETINGS FROM BEQUIA

We are excited about getting back to where God has called us to! We had a great trip back to the States and now with the birth of Emily, and McKenzie's surgery behind us, we set our feet back in the field where we are called to labor.

I want to say thank you to all the churches that have helped and encouraged us while we were back, calling us and scheduling us to come back and preach, it was truly a blessing. I want to say thank you to two churches, Calvary Fundamental and Cornerstone Baptist Church, for going above and beyond. You made Christmas for my family amazing! I could never thank you enough for all that you have done, also I will enjoy every last cup of coffee that you sent me!

Our last few months were, at times, busy. We were able to travel to a few supporting churches and have been promised support by two new churches and a businessman in our home church. We thank the Lord for this added help to the ministry here. We were able to spend our last week in the U.S. with our home church in their Annual Winter Revival. We are so thankful for the encouragement we received during this time.

Looking ahead we have a lot of things planned for this year. We will be starting bible studies again with as many people as we can. We also have a group coming in July to help us with a VBS, and we are planning to hold a evangelistic meeting following the VBS.

Please continue to pray for us as we transition back to Bequia. It never fails we always face difficulties along the way, But God's grace is always sufficient.
